

# THX:MR-1/2-1/4", HEX BIT SOCKET

Ruland THX:MR-1/2-1/4", Hex Socket Bit, Bit Size 1/4", Drive Size 1/2", Bit Length 2-1/4" (57 mm), Steel

## Description

Ruland THX:MR-1/2-1/4" is a 1/4" hex bit socket with a 2-1/4" (57 mm) length. It is designed to fit Ruland supplied torque wrenches with a 1/2" square drive. THX:MR-1/2-1/4" is manufactured from chrome plated steel for durability and not meant to be used with power tools. It is heat treated for added wear-resistance ensuring a long service life.
