

The X3 Pro premium true wireless sport earbuds are for people who never want to stop moving. We designed the X3 Pro so we could fit as many features into their small build as possible, while giving them a secure, ergonomic fit, as well as Hi-Fi stereo sound quality!

Earhooks For A Secure, Comfortable Fit - The X3 Pro bluetooth running headphones have an ergonomic ear hook design and come with 3 sizes of eartips for maximum comfort.

Connect Seamlessly With Bluetooth 5.0 - The X3 Pro true wireless earbuds feature a Bluetooth 5.0 connection and the Qualcomm QCC Chipset with aptX delivers Hi-Fi sound quality to super-charge your workout.

45H Of Battery Life w/Charging Case - The X3 Pro bluetooth workout headphones with charging case can run 9H on a single charge, and use fast Type-C charging so you don't have to wait long.

High-Quality, IPX7 Materials Can Survive Any Workout - The X3 Pro waterproof Bluetooth headphones can resist excess sweat or rain so they can endure any intense workout, indoors or outdoors.

Intuitive Controls For No-Distracted Workouts - The X3 Pro wireless sport earphones with microphone have a cVC 8.0 mic built-in and controls on each earbud so you can easily take calls in the gym.

KEY FEATURES:

- **UNPARALLELED SOUND QUALITY** - The X3 Pro wireless workout earbuds provide clear sound and deep bass with its 11mm drivers so you can have fun while working out.

- **FAST PAIRING WITH IOS OR ANDROID** - The X3 Pro Bluetooth headphones with microphone can pair with any device within a 33ft range so you can keep running.

- **IPX7-RATED TO ENDURE ANY SPORT OR ACTIVITY**- The X3 Pro wireless sweatproof headphones rest securely around your ear with no-slip ear hooks when you're in motion.

- **COMFORTABLE, EASY-TO-USE CONTROLS** - The X3 Pro wireless headphones workout have controls on each earbud to answer calls or change tracks right in the gym.

- **LONG BATTERY LIFE TO TEST YOUR ENDURANCE** - The X3 Pro earbuds can last for 9H on a single charge longer with the charging case so you never run out of power.

- **HIGH-QUALITY, BUILT-IN MICROPHONE** - The X3 Pro headphones have a cVC 8.0, built-in microphone enabling voice activation and voice assistant compatibility.

- **QUICK, STABLE TYPE-C CHARGING** - The X3 Pro earbuds and portable charging case features a USB-C port that can recharge cells faster to get you back to training.
