<b>Product Discontinuance Notification Details</b>			
<b>Description of Discontinuance:</b>			
<p><b>This Revision A is to announce the additional Part Numbers that were not included on the original PCN notification. These new devices are highlighted and bolded in the Product Affected list below. There is no change to the original Last Date to Order or Last date to ship as noted above.</b></p> <p>Texas Instruments Incorporated (TI) is announcing the discontinuance of select devices. Part Numbers are listed in the Product Affected Section. A non-cancelable, non-refundable last time buy is being offered per the date shown above. Recommended replacements are being offered as shown in the Product Affected Section.</p> <p>NOTE: There are no samples offered for withdrawn/obsolete products. For samples of any replacement products, please contact your local sales representative.</p>			
<b>Reason for Withdrawal/Discontinuance:</b>			
<p>This PDN is related to TI's multiyear transition plan for our two remaining factories with 150-millimeter production (DFAB in Dallas, Texas, and SFAB in Sherman, Texas). DFAB will remain open, but will focus on 200-mm production, with a smaller set of technologies. SFAB will close as early as 2024. These changes are part of our multiyear plan to transition certain products to newer, more efficient manufacturing processes and technologies.</p>
