

Dear Valued Customer:

This letter is to inform you that we are discontinuing the product(s) described below. Please review this letter to ensure that your products and/or processes will not be affected by the termination of this item and email your acceptance and/or need for any additional documentation for the obsolete product(s). Please respond with your acknowledgment to our Customer Service Team at orders@inspiredled.com. Thank you for your help and support.

Inspired LED Part Number(s): 3781

Customer Part Number(s): 1647-1067-ND

Reason: In an effort to provide the best quality products, Inspired LED redesigned the 24V, 3.75 AMP (90W) Plug-In Power Supply to be 24V 4 AMP (96W). The higher amperage is the industry standard for Class 2 applications. The physical size and configuration of the power supply remain the same. The only difference will be the increase in amperage.

Inspired LED New Part Number(s): 8584

Product Description: 24V DC, 4 AMP Plug-In Power Supply

Wholesale Price: \$23.70
