Does the part number change? False

Type of Change:

Processing/ Manufacturing

Change Description:

The production line for these products will be relocated into the same plant, the line will be moved about 50 meters from its original position due to some relocations required for the plant distribution. This will not affect fit, form and function of the product and the process will remain the same, the only change will be the relocation of the production line.

Reason for change:

Relocation required for a new distribution on the plant.

Justification for change:

This will not affect fit, form and function of the product and the process will remain the same, the only change will be the relocation of the production line.

Product Identification to distinguish the change:

By date code

Samples (If required): Not applicable

Change Implementation Date: 2024-04-26
