

Product End of Life Notification

EOL Number: EOL-000078-A

EOL Notification Date: Dec 19, 2023

End of Life: CS5364, CS5366, CS5368

Dear Customer,

As a result of a pull in of our fab partners' closure date, we are now required to pull in the last order date of these products.

Last ship date will remain unchanged.

Our priority is to ensure customers are aware of this change, and encourage them to take action to secure their lifetime demand requirements by placing their orders as soon as possible.

Sincerely,

Quality Systems Administrator
Cirrus Logic Corporate Quality
Phone: +1(512) 851-4000

Last Time Buy Ordering Details

*Last Time Buy Date (from notification):	Jun 26, 2024
**Last Time Ship Date (from notification):	Sep 5, 2025

Change from EOL - 000078

Last Order Date previously Sep 05 2024

Last Order Date updated June 26 2024

As a result of a pull in of our fab partners' closure date, we are now required to pull in the last order date of these products.

Last ship date will remain unchanged.

Our priority is to ensure customers are aware of this change, and encourage them to take action to secure their lifetime demand requirements by placing their orders as soon as possible.

Note: All orders received after the date of this notification will be No-Cancel, No-Reschedule, No-Return with the exception of agreed warranty returns.

* Orders will not be accepted after Last Time Buy Date.

** To receive product by the Last Time Ship Date, there can be no outstanding issues with the customer credit. Any issues will result in customer being directed to EOL distributor.

During the End of Life (EOL) process, there may be circumstances which affect the ability of Cirrus Logic to fulfill the Last Time Buy (LTB) notification.

Cirrus Logic will always aim to support the EOL notification to the best of our capability, however, in instances where this is not possible, we will take the appropriate action and alert customers of the specific impact.

Examples of such instances, but not limited to, are limitations in wafer/raw material availability, yield changes or, limitations to existing inventory.

We encourage customers to prioritize all EOL notifications and placement of LTB orders.
