

SUBJECT: Specialty Polymer (SP) Aluminum Electrolytic Capacitors
BULLETIN #: NRFND.PG44.08.15.11 SP Cap EEF-H Series, 125°C

Date: 8-15-2011

Panasonic is announcing the SP Cap EEF-H Series are **NOT RECOMMENDED FOR NEW DESIGN** due to decrease in overall market demand. There are currently no alternates offered to replace the series listed below.

AFFECTED SERIES:

EEF-HD
 EEF-HE
 EEF-HL

REASON FOR CHANGE:

Due to ever changing technology and market conditions the need for higher temperature SP-Caps has declined to the point where it's no longer a focus technology.

AFFECTED PARTS:

****STATUS CHANGES TO NC/NR****

HD Series P/N	HE Series P/N	HL Series P/N
EEF-HD0D181R	EEF-HE0D271R	EEF-HL0D101R
EEF-HD0D221R	EEF-HE0D331R	EEF-HL0E820R
