

PDN Number:	20231212001.3			PDN Date:	December 13, 2023
Title:	Discontinuance of Select Devices				
Customer Contact:	Change Management team			Dept:	Quality Services
Last date to order:	Dec 12, 2024		Last date to ship:	June 12, 2025	
Change Type:	Product Discontinuance - End Of Life				
Product Discontinuance Notification Details					
Description of Discontinuance:					
Texas Instruments Incorporated (TI) is announcing the discontinuance of select devices. Part Numbers are listed in the Product Affected table below. A last time buy is being offered per the date shown above. Recommended replacements are being offered as shown in the Product Affected table. NOTE: There are no samples offered for withdrawn/obsolete products. For samples of any of the replacement products, please contact your local sales representative.					
Reason for Withdrawal/Discontinuance:					
As part of TI's multiyear transition plan for our factories with 150-millimeter and 200-millimeter production, TI will no longer support certain G4/E4, tube, small reel or other variants of the following devices. The replacement products are functionally and electrically equivalent devices, but in the case of Group 1 devices (below), the plating finish may be different.					
Product Affected (Group 1 – pin-out and functionally equivalent devices that may have different Leadframe plating finish):					
Please see the Material Content page on TI.com for current plating information for the replacement device.
