Standard color black. Consult Heyco for white and other colors.
*Designed for cast or other mounting holes with rounded edges.

- **Assembly friendly!** Independent of insertion into the panel, RDD Lockit™ Strain Reliefs **self-lock** onto the cable. Preassemble RDD Lockits off line for final assembly at a later time or remote location, for lower installed cost!
- Install easily with fingertip pressure into a standard round or Double D hole. No tools required, even for hand assembly.
- Protect the lifeline of your electric/ electronic products by absorbing the forces of push and pull that may be exerted on the flexible power cord. Double D design eliminates the possibility of part rotation under forces of twist.
- Multiple panel locking steps secure Lockit Strain Reliefs into a wide range of panel thicknesses for a **flush, finished fit.**
- Heyco's automated Pre-Assembly Equipment speeds assembly of the RDD onto the cable and thus lowers costs while greatly reducing risk of carpal tunnel syndrome. See pages 4-15 & 4-16.
- Consult Heyco for other wire types and sizes.
- See page 4-38 for corresponding **Mounting Hole Plugs** which can be used to fill blank/unused Mounting Holes and thus allow for a single panel design for multiple applications.
- For Double D Mounting Hole Punches, see page 4-30.

Locking Tab varies with Cable Sizes

.72 (18,3mm)

.96 (24,4mm)

.74 (18,8mm)

.770 (19,6mm)

.875 (22,2mm)

MOUNTING HOLE

RDD 201, RDD 201-2, RDD 301, RDD 301-2, RDD 401, RDD 401-2

Material	Nylon 6/6
Certifications	Recognized under UL File E15331
	Certified by the Canadian Standards Association File 8919
Flammability Rating	94V-2
Temperature Range	-.04°F (-18°C) to 221°F (105°C)
