

Self-Adhesive Mounts

Designed to support lightweight wire bundles when properly applied on a clean, smooth grease free surface. For heavier support a mounting hole is provided to screw the mount to the surface.

Part No	Length	Width	Height	Mnt Hole
8502	3/4	3/4	.15	4 Stud
8503	1	1	.15	10 Stud

Push Mounts

For use on PC Boards. Drill a 6.2mm hole, insert mount and run cable tie through it to bundle the cables.

Part No	Fitting	Tie Width
PTM16	.2	.15
PTM32	.25	.31

All measurements are given in inches.
