Description of Change: Due to the discontinuation of the epoxy layer of the CHP product families, Vishay Sfernice is using a new protective layer. The new epoxy Layer has a blue color. Products specifications remain unchanged. Ohmic values below 0.5 Ohms won't be affected.

Classification of Change: Old Epoxy obsolescence.

Expected Influence on Quality/Reliability/Performance: The new protective layer will have no impact on the Fit, Function and reliability of the devices.

Part Numbers/Series/Families Affected: CHP*, HCHP*, CHPHT*, CHPHR*, CHPFR*

Vishay Brand(S): Vishay Sfernice

Time Schedule:

Start Shipment Date: Mon Sep 4, 2023

Sample Availability: N/A

Product Identification: Starting DC 2023 W36 products will be shipped with both epoxy until stock depletion.

Qualification Data: Qualification package available

This PCN is considered approved, without further notification, unless we receive specific customer concerns before Fri Jul 14, 2023 or as specified by contract.
