

Siemens Low Voltage Circuit Protection General Duty Safety Switches. Type: ENCLOSED, SAFETY SWITCH Std: UL V. Rating: 240VAC A. Rating: 60A No. Of Poles: 3P F. Rating: 60Hz Action: SINGLE THROW Material: STEEL Enclosure: TYPE 1. 2-3 point mounting holes. O. Cycles: 10000 O. Temperature: (-20F-120F) AMBIENT TEMPERATURE Environmental Conditions: INDOOR

| General technical data                             |                        |
|----------------------------------------------------|------------------------|
| principle of operation of the actuating element    | SINGLE THROW           |
| mechanical service life (operating cycles) typical | 10000                  |
| number of poles                                    | 3                      |
| Electricity                                        |                        |
| ampacity                                           | 60 A                   |
| Environmental conditions                           |                        |
| ambient temperature during operation maximum       | 49 °C                  |
| ambient temperature during operation minimum       | -29 °C                 |
| Model                                              |                        |
| product brand name                                 | Siemens                |
| product type designation                           | ENCLOSED/SAFETY SWITCH |
| Mechanical Design                                  |                        |
| design of the housing                              | TYPE 1                 |
| material                                           | STEEL                  |
| General product approval                           |                        |
| certificate of suitability                         | UL                     |
