Hexagonal Cap for B Series FP_ and S Series FL_ Plug Models

Summary - The caps for the FP_ models in the B Series and FL_ models in the S Series have been changed from a slotted type to a hexagonal type for sizes 0, 1 and 2. If the slotted type cap is preferred they can be ordered separately by referring to part number FLC._S.140.LN.

Effective Date of Change: Models with hexagonal cap design will begin shipping when inventory of previous design is depleted.

If you have any questions or concerns regarding this change, please contact your Customer Account Specialist or Applications Engineering at 1-800-444-5366 or email: info@lemousa.com

Thank you for your continued support of LEMO products!
