

## Swabs Safety Data Sheet Declaration

ISO 9001:2015 Registered Quality System. Burlington, Ontario, CANADA SAI Global File: 00400

April 1, 2024

**Subject:** Swabs Safety Declaration

To Whom it may concern:

Based on all available information, the entire MG Chemicals line of swabs is defined as articles that don't contain any hazardous ingredients above declaration threshold, and they are therefore not subject to any hazard-communication requirements. No safety data sheet nor labelling are required under existing regulations.
