

2 Watt RF Load with Chain Up to 6 GHz with 4.3-10 Male Push-On

RF Terminations Technical Data Sheet

PE6TR1048

Features

- 50 Ohm RF Load
- DC to 6 GHz Frequency Range
- VSWR 1.15:1 Max
- Max Power 2 Watt (CW)
- 4.3-10 Male Coaxial Interface
- Push On Pull Off
- Chain

Applications

- Wireless
- Radar Systems
- Test and Measurement
- Commercial and Military Communication
- SatCom

Description

RF termination (also called RF load or dummy load) PE6TR1048 from Pasternack operates from DC to 6 GHz and handles up to 2 Watt (CW). This 4.3-10 Push-On termination (or load) is a 50 Ohm impedance and has a Male gender. PE6TR1048 50 Ohm 4.3-10 load termination offers 1.15:1 typ VSWR. RF terminations / loads are critical passive components in many RF, microwave and millimeter wave systems where signal reflection from unused ports can reduce the signal integrity can potentially damage the device. By terminating an unused port with a matched load (dummy load), the incident energy will be absorbed with minimal reflection. These radio frequency termination components are commonly used to terminate devices such as couplers, circulators, and switches. Loads / terminations are also widely used in measurement systems to ensure accurate results. Pasternack offers a large selection of in-stock RF, microwave and millimeter wave terminations up to 65 GHz with great performance over the entire operating range and with power handling capabilities up to 800 Watts (CW).

Electrical Specifications

Description	Minimum	Typical	Maximum	Units
Frequency Range	DC		6	GHz
Impedance		50 ±5 %		Ohms
VSWR		1.15:1		
Input Power (CW)			2	Watts
Input Power (Peak) 1 µsec PW, 1% DC			500	Watts
VSWR, Typ		1.15:1		

Mechanical Specifications

Configuration

Connector Push-On 4.3-10 Male
Connector Specification IEC 60169-54

Material Specifications

Description	Material	Plating
Connector 1 Contact	Beryllium Copper	Gold
Insulation	PTFE	
Body	Brass	Nickel

Environmental Specifications

Temperature

Operating Range

-40 to +85 deg C

Storage Range

-40 to +85 deg C

Ingress Protection (IP) Rating

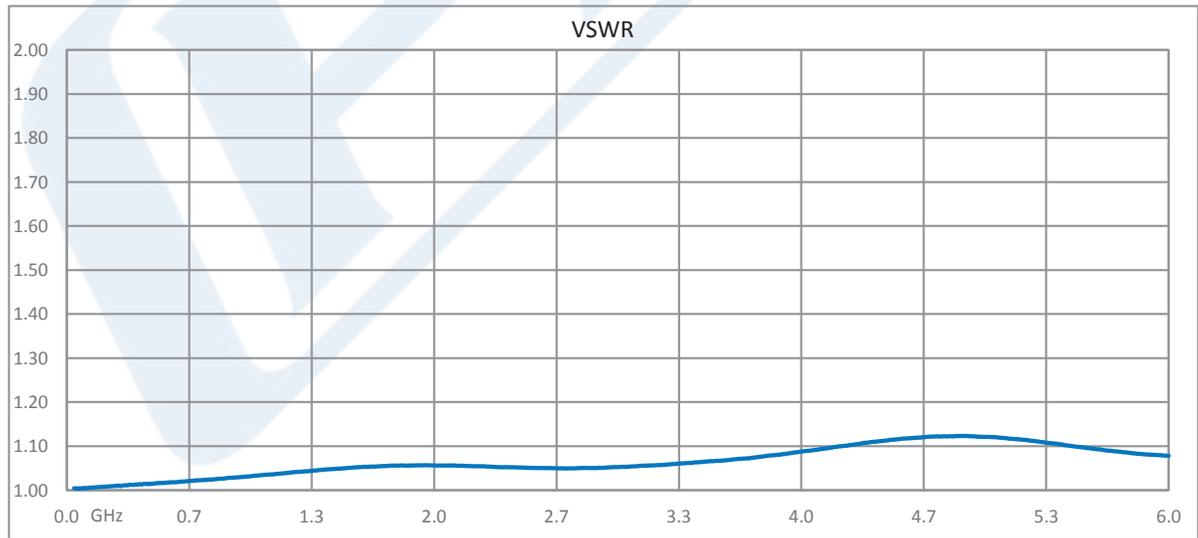

IP67

Compliance Certifications (see [product page](#) for current document)
