\*\* To receive product by the Last Time Ship Date, there can be no outstanding issues with the customer credit. Any issues will result in customer being directed to EOL distributor.

During the End of Life (EOL) process, there may be circumstances which affect the ability of Cirrus Logic to fulfill the Last Time Buy (LTB) notification.

Cirrus Logic will always aim to support the EOL notification to the best of our capability, however, in instances where this is not possible, we will take the appropriate action and alert customers of the specific impact.

Examples of such instances, but not limited to, are limitations in wafer/raw material availability, yield changes or, limitations to existing inventory.

We encourage customers to prioritize all EOL notifications and placement of LTB orders.
