MR3010 Series

Jan. 5th, 2021

Mechatronics Product / Process Change Notification

Table 1. Change Identification

Product Family / Commercial Product	MR3010
Type of change	Integrated circuit change and revised PCB layout.
Reason for change	IC PA720 was discontinued by the manufacturer.
Description of change	IC change from PA720 to OCH29803 and PCB layout has been revised. No change in motor or fan performance.
Product Line(s) and/or Part Numbers	MR3010E12B-RSR, MR3010H12B-RSR, MR3010M12B-RSR, MR3010M05B-RSR, MR3010H05B-RSR, MR3010H05B1-RSR
Marking to identify changed product	By lot code
Manufacturing location(s)	China Plant

Table 2. Change Implementation Schedule

Forecasted implementation date for change	January 2020
Forecasted availability date of samples for customer	December 2020
Estimated date of changed product first shipment	January 2020
