

## PRODUCT CHANGE NOTIFICATION

Notification Number: CN120060

Issue Date: April 12, 2024

### Change Information

\*\*\*\*\*

For Notification Only

**Product Change Class: D**

### Description of Change:

In DLynx 3 MLX series the default programmed value for PMBus command MFR\_ID has been changed from "IR" to "OP" starting with date codes 24xx18yyyyyy for year 24 week 18.

In OmniOn non-isolated DCDC Point-of-Load converters 12 digits serial number 24xx18yyyyyy xx indicates manufacturing location and yyyyyy is six digit running serial.

**Estimated Implementation Date:** 2024-04-04

### Products Affected
