Device Family	Change From:	Change To:													
LM5155x-Q1	SNVSAY4E	SNVSAY4F													
Reason for Change:															
To accurately reflect device characteristics.															
Anticipated impact on Fit, Form, Function, Quality or Reliability (positive / negative):															
No anticipated impact. This is a specification change announcement only. There are no changes to the actual device															
Changes to product identification resulting from this PCN:															
None.
