

PCN: V14-007-476103-0A

Product Change Notice

Issue Date: 23-Jun-2014

Change Type:

Shelf Life Extension for Finished Goods Part.

Parts Affected:

Line Driver Part Numbers:

AEIC-7272-S16
AEIC-7273-S16
AEIC-2631-S16
AEIC-7272-S16TR
AEIC-7272-S16TR
AEIC-2631-S16TR

Description and Extent of Change:

Extension of shelf life for AEIC products from 18 months to 48 months.

Reasons for Change:

Providing more flexible and better inventory management control for AEIC products in supporting customer orders.

Effect of Change on Fit, Form, Function, Quality, or Reliability:

There will be no change to form, fit and function.

All the affected products will still be manufactured to the same electrical specification. Product qualification results met Avago reliability requirements.

Effective Date of Change:

Product shipments using this change will commence from end Jun 2014 onwards.

Timing of shipment of the part will vary by part number depending on customer demand and inventory levels.

These changes have been reviewed and approved by Avago Technologies engineers and managers per Avago Technologies procedure: Change Control and Customer Notification.

Please contact your Avago Technologies field sales engineer or Contact Center (<http://www.avagotech.com/contact/>) for any questions or support requirements. Please return any response as soon as possible, but not to exceed 30 days.
