GlobTek certifies that the parts marked with "RoHS" words or "RoHS Green Leaf" logo, were tested and meet or exceed all specifications of directive 2015/863-EU (ROHS-2.1 or RoHS 3) and China SJ/T 11363-2014.

Exemptions: None taken on this product.

Most RoHS exemptions have expired as of July 21, 2019. Exemption 6(c) is still in place for a small number of components in GlobTek's active parts database. **If this Product is one taking the 6(c) exemption, or another, this certificate would note below.**

Product Name: _____ (Placed here IF the product needs to list an exemption taken)

No: No 6(C) exemption or other exemptions taken.

Yes: This product is taking Exemption 6(c) Copper alloy containing up to 4% lead by weight

Yes: This product is taking another Exemption: _____

In January 2022, the technical consultant assigned by the EU Commission published recommendation to renew Exemption 6(c) through 7/21/26. GlobTek with its Suppliers are actively attempting to find alternatives for this small group of parts/components within some GlobTek units.

This C of C does not exceed general terms and conditions of the sale unless specified below.

Thank you for your business.
