
End of Life Notification EOL#23.007

This document is an End-of-Life Notification (EOL) for the second generation of 400G OSFP DR4, DR4+ transceiver modules, and 400G OSFP 4x100 LR OSFP transceiver modules.

Affected Part Numbers

The base part numbers affected by this EOL, and the suggested replacement base part numbers are as below:

EOL Base P/N	Replacement Base P/N
FTCD4525E2PxM-XX	None
FTCD4535E2PxM-XX	None
FTCD4545E2PxM-XX	None

End-of-Life Dates

All last-time buy orders must be received by Aug 15, 2023. The last time ship date will be no later than Nov 15, 2023.

Order Acceptance/Change Conditions

Any orders for the discontinued products listed above with a requested ship date after May 15, 2023, will be non-cancelable and non-returnable (NCNR). The words “non-cancelable, non-returnable” must be clearly indicated on these orders. These orders cannot be changed, rescheduled, or canceled.

Any orders for the discontinued products listed above can't be changed, rescheduled, or canceled after May 15, 2023.

RMA Replacements

After Aug 15, 2023, Coherent reserves the right to replace any of the discontinued products listed above returned under RMA (Return Material Authorization) with their replacement products, or with a credit, if it is deemed Coherent responsibility.
