January 8, 2014

To: All Bel Fuse Inc. customers

From: R. McBrien, Product Manager, Fuse Div.

Subject: Bel Fuse Series MQ (0674-xxxx-xx) and MS (0676-xxxx-xx)

Due to below factors, Bel will EOL the subject fuse series in 2014. At present time, the anticipated Last Buy Date will be Sept. 30, 2014, with all orders to be completed and shipped by Dec. 31, 2014.

The contributing factors leading to this decision include:

1. Decreasing sales volumes over last few years.
2. Increasing labor and material costs.
3. Aging production equipment.

If you have any questions, please contact your usual Bel support person or me directly.

Very Truly Yours,

Bob McBrien
Product Manager, Fuse Div.
