

PCN: 476

Issue Date: December 4, 2023

Dear Valued Customer,

This notice is to inform of the availability of finished good(s) you have purchased from Littelfuse.

Description of the Change:

- Littelfuse is halting all production of the GFCI/ELCI HyMag Circuit Breaker Product Line.

Reason for The Change:

- Due to the immediate obsolescence of a critical PC board components, OnSemi RV4141AMT Littelfuse is being compelled to obsolete all affected components.

Effective Date of the Change:

- Immediate. PC-components are no longer available in the production market. New production orders will not be accepted.
- Existing orders are being completed while supplies last.
- Last time buys are available but will need to be requoted with consideration to the current spot market prices for the subject OnSemi parts.

What You Need to Do:

- Contact your inside sales manager about requesting for quote any last time buys needed by 12/31/2023.

If you have any questions, please feel free to contact your Littelfuse Customer Service Representative or your Inside Sales Representative. We appreciate your business and our continued partnership.

Sincerely,

Jeremy Glessner
Sr. Manager, Product Management
