Product Discontinuance Notification Details				
Description of Discontinuance:				
<p>Texas Instruments Incorporated (TI) is announcing the discontinuance of selected devices. A non-cancelable, non-refundable last time buy is being offered per the date shown above. Recommended replacements are being offered as shown in the Product Affected Section.</p> <p>NOTE: There are no samples offered for withdrawn/obsolete products. For samples of any replacement products, please contact your local sales representative.</p>				
Reason for Withdrawal/Discontinuance:				
<p>TI will no longer support certain G4 devices with precious metal lead finishes (no tin (Sn)) for the following products because target assembly sites cannot support these plating finishes. The recommended replacement products are exact equivalent devices.</p> <p>Recommended replacement devices are Pb-free and green. Replacement materials may have different plating finishes. Please see Material Content page on ti.com for curreplating information https://www.ti.com/materialcontent/home.</p>
