

Product Datasheet

Product code: **394NS**

Product type: UltraCut Scissors

Made in: Italy

Description: The 394 are UltraCut scissors with fine blades, specifically designed for miniature works such as cutting suture fibers. The short cutting edges combined with the extra long handles boost the leverage, making cutting easily and effortlessly. The sharp blades guarantee a precise and clean cuts. The micro-serrated blade allows non-slip cutting. The special Inox material combined with the polish finish is the best solution for cleaning. The blades are hardened to 60HRC hardness.

Tip description: straight, fine, sharp

Coating/finishing: Mirror Polished

Body material: Stainless Steel (Hardened AISI 440)
