

Product Advisory (PA)

Subject: Correction of Manufacturing Part Number (MPN) Product Label to remove Pb-free designation symbol

Publication Date: 11/14/2023

Effective Date: 11/14/2023

Revision Description:

Initial Release

Description of Change:

This notice is to inform you that Renesas Electronics America Inc will remove Pb-free designation symbol from the product label. The associated datasheet will be updated accordingly.

As of the effective date of the PCN, Renesas Electronics America, Inc. will start to fulfill orders using the new product label (without Pb-free designation symbols). Please refer to Appendix B for details of the label change.

While, customer may expect to receive shipments with existing label (Pb-free logo) on the inner boxes or labels after the effective date, until such time the inventories have been fully depleted.

In parallel to label change (remove Pb-free designation symbols), the associated datasheet will be updated accordingly.

There is no change to the new Renesas integrated interior label as announced via PA220009 to which schedule to release by Year 2024 Quarter 3.

Please contact your local sales representative for more information of the change.

Reason for Change:

The correction to the MPN label aligns the product RoHS classification.

Impact on fit, form, function, quality & reliability:

The change will have no impact on the form, fit, function, quality, reliability and environmental compliance of the devices.

Product Identification:

Product affected by this change is identifiable via Renesas's internal traceability system.

Qualification status: Not Applicable
