## SIEMENS

## Data sheet

## 3RA2210-0GH15-2AP0

Load feeder fuseless, Reversing duty 400 V AC, Size S00 0.45...0.63 A 230 V AC Spring-type terminal for 60 mm busbar systems (also fulfills type of coordination 1) Type of coordination 2, Iq = 150 kA 1 NC (contactor)

| product brand name  | SIRIUS               |
|---|----------------------|
| product designation   | Reversing starter    |
| design of the product   | for 60 mm busbars    |
| product type designation  | 3RA22                |
| manufacturer's article number   |                      |
| <ul> <li>of the supplied contactor</li> </ul>   | <u>3RT2015-2AP02</u> |
| <ul> <li>of the supplied circuit-breakers</li> </ul>                                    | <u>3RV2011-0GA20</u> |
| <ul> <li>of the supplied RS assembly kit</li> </ul>                                     | <u>3RA2913-1DB2</u>  |
| <ul> <li>of the supplied link module</li> </ul>   | <u>3RA2911-2AA00</u> |
| General technical data  |                      |
| size of the circuit-breaker   | S00                  |
| size of load feeder   | S00                  |
| power loss [W] for rated value of the current   |                      |
| <ul> <li>at AC in hot operating state per pole</li> </ul>                               | 2 W                  |
| <ul> <li>without load current share typical</li> </ul>                                  | 4.2 W                |
| insulation voltage with degree of pollution 3 at AC rated value                         | 690 V                |
| surge voltage resistance rated value  | 6 kV                 |
| degree of protection NEMA rating  | other                |
| shock resistance according to IEC 60068-2-27  | 6g / 11 ms           |
| mechanical service life (operating cycles) of contactor typical                         | 30 000 000           |
| type of assignment  | 2                    |
| type of protection according to ATEX directive 2014/34/EU                               | Ex II (2) GD         |
| certificate of suitability according to ATEX directive 2014/34/EU                       | DMT 02 ATEX F 001    |
| reference code according to IEC 81346-2:2019  | Q                    |
| Substance Prohibitance (Date)   | 10/01/2009           |
| Ambient conditions  |                      |
| ambient temperature   |                      |
| during operation  | -20 +60 °C           |
| during storage  | -50 +80 °C           |
| during transport  | -50 +80 °C           |
| temperature compensation  | -20 +60 °C           |
| relative humidity during operation  | 10 95 %              |
| Main circuit  |                      |
| number of poles for main current circuit  | 3                    |
| design of the switching contact   | electromechanical    |
| adjustable current response value current of the current-<br>dependent overload release | 0.45 0.63 A          |
| operating voltage   |                      |
| rated value   | 690 V                |
| <ul> <li>at AC-3 rated value maximum</li> </ul>   | 690 V                |
|   |                      |

## Further information

Siemens has decided to exit the Russian market (see here).

https://press.siemens.com/global/en/pressrelease/siemens-wind-down-russian-business

Siemens is working on the renewal of the current EAC certificates.

Please contact your local Siemens office on the status of validity of the EAC certification if you intend to import or offer to supply these products to an EAC relevant market (other than the sanctioned EAEU member states Russia or Belarus).
