3RE4122-8CA11-4NB0

**Data sheet** 

| product brand name   | Siemens                         |  |  |
|--|---------------------------------|--|--|
| product designation  | Non-reversing motor starter     |  |  |
| special product feature  | Start-Stop Push Buttons         |  |  |
| General technical data   |                                 |  |  |
| weight [lb]  | 15 lb                           |  |  |
| Height x Width x Depth [in]  | 12 × 10 × 6 in                  |  |  |
| touch protection against electrical shock                                | NA for enclosed products        |  |  |
| installation altitude [ft] at height above sea level maximum             | 6 560 ft                        |  |  |
| country of origin  | Germany                         |  |  |
| Power and control electronics  |                                 |  |  |
| number of poles for main current circuit                                 | 3                               |  |  |
| type of voltage of the control supply voltage                            | AC                              |  |  |
| control supply voltage   |                                 |  |  |
| <ul> <li>at AC at 50 Hz rated value</li> </ul>                           | 24 V                            |  |  |
| at AC at 60 Hz rated value   | 24 V                            |  |  |
| disconnector functionality   | No                              |  |  |
| yielded mechanical performance [hp] for 3-phase AC motor                 |                                 |  |  |
| <ul><li>at 200/208 V rated value</li></ul>                               | 10 hp                           |  |  |
| • at 220/230 V rated value   | 10 hp                           |  |  |
| • at 460/480 V rated value   | 25 hp                           |  |  |
| • at 575/600 V rated value   | 25 hp                           |  |  |
| Contactor  |                                 |  |  |
| number of NO contacts for main contacts                                  | 3                               |  |  |
| operating voltage for main current circuit at AC at 60 Hz maximum        | 600 V                           |  |  |
| operating voltage at AC-3 rated value maximum                            | 600 V                           |  |  |
| mechanical service life (operating cycles) of the main contacts typical  | 30 000 000                      |  |  |
| Auxiliary contact  |                                 |  |  |
| number of NC contacts for auxiliary contacts                             | 1                               |  |  |
| number of NO contacts for auxiliary contacts                             | 1                               |  |  |
| number of total auxiliary contacts maximum                               | 8                               |  |  |
| contact rating of auxiliary contacts of contactor according to UL        | 10A@600V(A600), 2.5A@600V(Q600) |  |  |
| Coil   |                                 |  |  |
| apparent pick-up power of magnet coil at AC                              | 79 VA                           |  |  |
| apparent holding power of magnet coil at AC                              | 8.5 VA                          |  |  |
| operating range factor control supply voltage rated value of magnet coil | 0.8 1.1                         |  |  |
| ON-delay time  | 8 40 ms                         |  |  |
| OFF-delay time   | 4 16 ms                         |  |  |
| Overload relay   |                                 |  |  |

| product function   |  |   |                                    |                                  |                           |  |
|--|--|---|------------------------------------|----------------------------------|---------------------------|--|
