Tim Loe
Product Manager
Digi-Key Corporation
701 Brooks Ave. South
Thief River Falls, MN 56701

Dear Valued Customer:

This letter serves as notification that CTS Electrocomponents will discontinue manufacturing our 252 series Mini-Joystick. This is a result of our product portfolio review process and declining sales of this product. Our intent is to support this product for a limited time in order to allow for future planning by all of our customers. Therefore we will offer a last time buy opportunity to support your needs.

Our records indicate you may have purchased the following mini-joysticks in the past 3 years.

CTS product	Digi-Key Product	
252A103A60NB	252A103A60NB-ND	
252A103B40NA	252A103B40NA-ND	
252A103B60NA	252A103B60NA-ND	
252A103B60NB	252A103B60NB-ND	open order
252A104B60NA	252A104B60NA-ND	
252B103A60NB	252B103A60NB-ND	
252B103B60NB	252B103B60NB-ND	

The 252 Series production line will be shut down February 14, 2015. **Please place your last time buy orders by December 23, 2014 for shipment by the end of February, 2015.**

In the meantime if we can answer any questions raised by this letter, please contact your representative or customer service representative.

Best regards,

Tari Gard
