Product Change Notification

Dear Valued Customer,

Please be informed of the upcoming product changes affecting modules that are part of the Optem standard product portfolio. With the forthcoming release of new modules in 2022 and further reviewing the overall product portfolio, the identified part numbers as shown in Appendix A are pending the end of their product life cycle in 2022. If applicable, a recommended replacement product is provided.

A last time buy will be possible for impacted parts until the end of 2022. Last time buy opportunities may be subject to inventory availability and/or minimum order quantities. Please contact your local sales representative for further details.

Excelitas will certainly support you in the best possible way to find an alternative solution. For more information, please contact your local Excelitas sales representative.

Data of Issue	February 15, 2022
Title of Change	Product End Of Life and New Product Launch
Effective Change Date	End 2022
Product Line	Optem Modular Microscopy System
Affected Part Number(s)	See Appendix A
Reason for Change	NPI and Product Obsolescence
Last Time Buy Opportunity	Until end 2022, subject to available inventory and/or MOQ.
