

Product discontinuation notification (PDN)

Title / short description	Discontinuation of HDFK(V) series
Affected article category	PCB terminal blocks and PCB connectors
Change category	Discontinuation
Change number	IAA240002-01
Reason for PCN/PDN Revision	

Purpose/objective of the change

Discontinuation of the HDFK(V) series

Detailed description of the change

We aim to provide you with state-of-the-art products for your application. It is therefore necessary to phase out some components from time to time for commercial or technical reasons.

This correspondence is therefore notice of the discontinuation of the HDFK(V) series panel feed-through terminal blocks.

Alternative items are available in the UW(V) series. The technical performance data of these items is the same or better. The sizes and the cutout are different.

For a comparison of the series, refer to the comparison drawings in the attachment.

If you need a customer-specific version, such as printed items or color versions, please contact us.

Thank you for your understanding and we look forward to continuing our successful cooperation.
