Win the Cable Management Crusade

AnD Cable offer a variety of Velcro® Brand hook and loop fasteners and Nylon cable saddles. We can also help you design straps for special applications.

- Easy to use fasteners are pliable and prevent cable damage
- Reinforced grommet holes for superior holding strength
- Buckle provides 2 to 1 purchase, acting like a pulley
- Versatile, durable and reusable
- Available in eye-catching colors for color-coded runs

**Velcro® Cable
Hangers**

**Velcro® Grommated
Cinch Straps**

**Nylon Cable
Saddle**

Cable Suspension At Any Level

Heavy duty Velcro® Grommated Cinch Straps hold large cable bundles. Their buckle cinch arrangement makes them reusable and fast to secure. Non-magnetic buckles are safe for use around electrical or magnetic materials. Substitute for 'J' hooks and eliminate cable kinks. Guaranteed by Velcro® for at least 10,000 strap and release cycles.

Velcro® Cable Hangers are a neat and tidy way to organize cables and reduce clutter. They permanently adhere to desk/equipment racks and other smooth surfaces – just peel off the backing film to attach. Use the built-in pull tabs to release cables fast. Color-coded cable runs allow for easy tracing and tagging, making cable adds, moves and changes a snap.

Screw-mounted Nylon Cable Saddles holds a bundle of cables securely. Use with any of our up to 1/2" wide Velcro® One-Wrap Cable Management straps.
