

Part Change Notification (PCN)

To: All Affected Customers

Title: Revision of the Quantity of Parts per Reel of BMI-C-002

Part number affected: BMI-C-002

Effective Date: August 18, 2023

PCN Publish Date: Aug 21, 2023

Description of Change:

The quantity of parts per reel for BMI-C-002 had been changed from 3500 to 5500 parts per reel. To ensure customers receive uniform and correct quantities of parts per reel for every order, the website, database and part drawing have all been updated. Please refer to the updated drawing on the next page, or click on the website link [BMI-C-002 BeCu Metal SMD Contact | Laird Performance Materials](#) for further information.

Impact of Change:

Customers will receive tape and reeled parts in multiples of 5500 instead of 3500. Please update your order quantities to reflect this.

No other changes have been implemented.

Contact Information: For further questions, please contact the Technical Support team at Laird/DuPont.
