## **Product Discontinuation Notification (PDN)**

Dear valuable team,

We herewith notify you that ams Osram AG is in the process of discontinuation of the following product:

Material Name	Material Description
220810004	AS73211-AB5 SET DK

There is no more possibility exist to produce this part number and therefore we ask for your kind cooperation to accept discontinuation of this product.

Please note that there is one(1x) piece still available on stock and can be purchased. Once its sold no further orders can be accepted.

We advise you to contact your representative from Sales & Marketing team to review the potential replacement products.

We appreciate your cooperation over years and thank you for the provided support.  
For any further questions, please feel free to contact ams-OSRAM team at any time.

Kind regards

Reinhard Rogy  
Director Operations  
Advanced Opto Sensors
