

Stranded SXL Automotive Primary Hook Up Wire from Remington Industries is ideal for higher temperature, more rugged circuit wiring applications that specify SAE J1128 requirements, such as automotive, electric motor, and generator applications. The multi conductor wire is made from bare copper that offers high quality performance for most electrical applications. Additionally, the XLPE insulation protects the wire against abrasion, chemicals, fuels, oils, and solvents, while also remaining flexible enough to fit wherever it might be needed. This hook up wire is available in several wire gauges (from 12 to 20 AWG) to meet your specific requirements. It is also available in a variety of bold colors (see below) to allow for easy circuit identification, as well as numerous spool sizes (see below) for your convenience.

- Conductor Material: Bare Copper
- Insulation Material: Cross-Linked Polyethylene (XLPE / PEX / XPE)
- Type: SAE J1128 SXL Hook Up Wire, Stranded
- Voltage Rating: 60 V
- Temperature Rating: -40°C (-40°F) to 125°C (257°F)
- Colors Available: Black, Blue, Brown, Gray, Green, Orange, Red, Violet, White, Yellow
- Spool Sizes Available: 25 ft, 100 ft, 250 ft, 500 ft, 1000 ft, 2500 ft, 5000 ft
- Also available in pre-built kits (6 or 10 different colors / 25 ft or 100 ft per spool)
- Specifications: Ford ESB-M1L85-A/86-A, & Chrysler MS-5919
- RoHS & REACH Compliant

Remington Industries is proud to offer our Custom Wire Services

Our exclusive inventory of in-stock wire and ability to procure wire of all kinds makes us the perfect partner for wire purchasing and custom wire services. We are proud to provide essential, high quality wire for engineering projects, educational science projects, coil winding, and electronics applications.

Some of our many wire services include the following:

- Wire Re-Packaging
- Bifilar & Trifilar Windings
- Wire Processing
- Coil Winding
- Wire Procurement Services

If you have any questions or need any information about our **Wire Services**, feel free to contact us! It only takes one call to get experienced assistance.
