

**Customer Information Notification****CN-202311007I****Issue date:** 08 Dec 2023**Effective date:** 12 Jan 2024

Here's your personalized quality information concerning products our customers and partners purchased from Nexperia.

For more details please contact your respective Nexperia CSR/AM.

**Quality****Announcement of upcoming Discontinuation Notification for SiGe Diodes****Notification information**

This notification informs that Nexperia B.V. is forced to add the SiGe Rectifier portfolio to the discontinuation cycle, end of 2023.

Silicon-Germanium (SiGe) epitaxy is the crucial process step to build the functional layer of the SiGe-rectifier. It will not be available any more since our external supplier discontinued SiGe-epitaxy service by November 3rd 2024.

We provide this information in advance to the official discontinuation note (DN), as a preliminary warning. To ensure an organised ramp down customer is asked to provide a end of life (EOL) demand forecast for the remaining production time.

For more details refer to attached document.

Why do we issue this notification?

Our external epitaxy supplier withdrawn all silicon epitaxy services including SiGe-epitaxy and terminated our Foundry Service Agreement effective November 3rd 2024.

Management summary

Announcement of upcoming Discontinuation Notification for SiGe Diodes

Identification of affected products

Product Identification does not change

Impact

No impact to the product's functionality anticipated

Data sheet revision

No impact to existing datasheet
