

Product Information Letter

Dear Customer,

Transphorm Inc. wishes to advise you that we intend to discontinue the product(s) listed due to a consolidation of our product portfolio. You are receiving this notification as our records indicate that you have either purchased or submitted technical inquiries regarding one or more of the listed product(s).

End-of-Life Products with Recommended Replacement Parts	
Discontinued Part	Replacement Part
TP90H050WS	Not Available

Orders for the listed discontinued product(s) will be accepted until **November 31, 2023**, and all new orders should be placed under the replacement part.

Our intent is to work with customers to meet all existing obligations. However, we may not be able to guarantee delivery of requested quantities if we do not receive discontinued product orders by the above noted date. Further, we recommend you do not wait until the last moment to advise your Transphorm sales representative of your product needs, particularly if you anticipate requiring volume over and above your normal run rate. At your earliest convenience, please provide your sales representative with your forecasts and discuss order scheduling.

It is Transphorm's policy that orders for products on end-of-life buy status are non-cancelable and non-returnable (NCNR).

As a reminder, important dates related to the discontinued products include:

Final orders accepted until: **11/30/2023**

Products must be shipped by: **02/28/2024**

We thank you for your attention to this matter. Should you have any questions, please do not hesitate to contact your Transphorm salesperson.

Regards,

Peter Cheng
Vice President, Product Marketing and Applications
