

THX:MR-1/2-8MM, HEX BIT SOCKET

Ruland THX:MR-1/2-8MM, Hex Socket Bit, Bit Size 8mm, Drive Size 1/2", Bit Length 3-1/4" (83 mm), Steel

Description

Ruland THX:MR-1/2-8MM is a 5/16 in hex bit socket with a 3-1/4" (83 mm) length. It is designed to fit Ruland supplied torque wrenches with a 1/2" square drive. THX:MR-1/2-8MM is manufactured from chrome plated steel for durability and not meant to be used with power tools. It is heat treated for added wear-resistance ensuring a long service life.
