

Date: January 8, 2018
To: Bussmann series DIN-Rail terminal block customers
Subject: End-of-life notification

Dear valued customer:

Effective March 16, 2018, the Bussmann™ series family of DIN-Rail terminal blocks and related accessories will be discontinued. The affected products are listed in the table below. Specific catalog numbers and their UPCs are contained in a spreadsheet accessible by [clicking this link](#).

Orders will be accepted until current inventory is exhausted or scrapped in Q3 2018.

Existing inventory of these terminal blocks is saleable product and should not be returned.

There are no direct replacements available. Please contact our Application Engineering team by email at FuseTech@Eaton.com for help in selecting a suitable product for your application.
