

Product Discontinuation Notification AKZ 4 SS, mini terminal block with flat blade connection

Dear Sir or Madam,

the products listed below are intended to be discontinued and will no longer be available after a transitional period. Please pass on this product information to your employees and possibly to your customers. All of these product discontinuations have been made to support our continued commitment for improvement and ongoing product development.

1. Initial situation

The AKZ 4 SS SE 6.3/2.8 is a terminal block for the TS 15 mounting rail. It has two connections for blade terminals of size 2 x 6.3 or 4 x 2.8.

This terminal and the associated cross-connection system, Q 2 and Q 10 AKZ 4 SS, are being discontinued due to the obsolete and hardly used technology.

There will be no 1 to 1 successor, standard terminal blocks of the AKZ series can be used here or other systems.

The articles will be discontinued at the end of 2023.

2. Schedule / Availability

The AKZ 4 SS terminal block will be discontinued by Dec. 31, 2023.
