

## **Section 1**

## Product Description

**Hazard Identification** 

| Product Name         | ORP Storage Solution                                  |
|----------------------|---|
| Recommended Use      | Equipment Calibration                                 |
| Synonyms             | None known  |
| Distributor          | Atlas Scientific                                      |
|                      | 43-15 11th Street, Long Island City, NY 11101         |
|                      | 718-387-2075  |
| Chemical Information | 800-227-1150 (8am-5pm M-F)                            |
| Chemtrec             | 800-424-9300 (Transportation Spill Response 24 hours) |
|                      |   |

## Section 2

## Classification of the chemical in accordance with paragraph (d) of §1910.1200

Not a dangerous substance according to GHS classification criteria. No known OSHA hazards.

#### GHS Classification

| Section 3           | Composition / Info | rmation on Ingredients |  |
|---------------------|--------------------|------------------------|--|
| Chemical Name       | CAS #              | %                      |  |
| Water               | 7732-18-5          | 97                     |  |
| Potassium Phthalate | 877-24-7           | 1                      |  |
| Potassium Chloride  | 7447-40-7          | 2                      |  |

## **Section 4**

#### **First Aid Measures**

# Emergency and First Aid ProceduresInhalationIn case of accident by inhalation: remove casualty to fresh air and keep at rest.In case of contact with eyes, rinse immediately with plenty of water and seek medical advice.Skin ContactAfter contact with skin, wash immediately with plenty of water.IngestionIf swallowed, do not induce vomiting: seek medical advice immediately and show this container or label.

## Section 5 Firefighting Procedures

| Extinguishing Media<br>Fire Fighting Methods and Protection | Use media suitable to extinguish surrounding fire.<br>Firefighters should wear full protective equipment and NIOSH<br>approved self-contained breathing apparatus. |
|---|--|
| Fire and/or Explosion Hazards                               | Fire or excessive heat may produce hazardous decomposition products.   |
| Hazardous Combustion Products                               | Phosphorus compounds, Potassium Oxide, Sodium Oxides   |

## Spill or Leak Procedures

| Steps to Take in Case Material |  |
|--------------------------------|--|
| are Released or Spilled        | No health affects expected from the clean-up of this material if contact can be avoided.     |
|                                | Follow personal protective equipment recommendations found in Section 8 of this (M)SDS       |
| Environmental Precautions      | Avoid breathing material. Avoid contact with skin and eyes. Prevent the spread of any        |
|                                | spill to minimize harm to human health and the environment if safe to do so. Wear complete   |
|                                | and proper personal protective equipment following the recommendation of Section 8 at        |
|                                | a minimum. Dike with suitable absorbent material like granulated clay. Gather and store in a |
|                                | sealed container pending a waste disposal evaluation.  |

## **Section 7**

Handling

**Section 6** 

## Handling and Storage

Avoid contact with skin and eyes.

**Chronic Effects** 

Mutagenicity No evidence of a mutagenic effect.

Teratogenicity No evidence of a teratogenic effect (birth defect).

Sensitization No evidence of a sensitization effect.

Reproductive No evidence of negative reproductive effects.

#### **Target Organ Effects**

Acute Respiratory system, Cardiovascular system, Musculoskeletal system Chronic No information available

## Section 12

**Overview:** 

**Persistence:** 

**Bioaccumulation:** 

**Degradability:** 

Mobility:

### **Ecological Data**

This material is not expected to be harmful to the ecology. This material is expected to have high mobility in soil. It absorbs weakly to most soil types. Dissolved into water Bioconcentration is not expected to occur. No data No data

**Chemical Name** Water **Potassium Phthalate Potassium Chloride** 

**Other Adverse Effects:** 

CAS Number 7732-18-5 877-24-7 7447-40-7

**Eco Toxicity** No data available

Aquatic LC50 (96h) Rainbow Trout 45.4 MG/L

## **Section 13**

## **Disposal Information**

**Disposal Methods** 

Waste Disposal Code(s)

Dispose in accordance with all applicable Federal, State and Local regulations. Always contact a permitted waste disposer (TSD) to assure compliance. Not Determined

## Section 14

## Transport Information

**Ground - DOT Proper Shipping Name** Not regulated for transport by US DOT. Air - IATA Proper Shipping Name Not regulated for air transport by IATA.
