Product Discontinuation Notice of Certain Chip Varistors

We really thank you for your continued patronage of TDK products.

This letter informs you that TDK is planning to discontinue the production and sales of the certain Chip Varistors we have been providing to you.

The market demand for the certain items has declined, which decreases the production efficiency.

Therefore, we decided to discontinue the production and sales of the certain items to improve the production efficiency.

We apologize for any inconvenience due to the discontinuation, but we appreciate your understanding.

Description

Your product name	Our product name	Our substitute
AVRL101C2R2DTA	AVRL101C2R2DTA	AVRH10C101KT1R1NE8
