

Specification Sheet

Part Number: 181-93007

A temporary film is applied to the covers to protect against scratches and is writable for identification during installation.

Cover is flush with the side of the duct for increased wire capacity and allows for tight, side by side duct placement.

Covers are provided with a non-slip lining, which insures the covers remain in place during vibration, yet they easily snap on and off. (Covers to be purchased separately)

Wiring Duct Cover for 3" Duct, 6 ft Long, PVC, Gray, 30ft/box

Article Number	181-93007
Type	TC3
Color	Gray (GY)
Quantity Per	box
